

On March 16-19th DMA ran the first Conference Credit Ratings for Sub-National Governments in Nigeria. Over three hundred delegates attended the enormously successful three day event. Supported by Urban Development Bank, DFID, Standard & Poor's, Bank PHB and the Gombe State Government and run in conjunction with ALGON and Baltimore Tax & Finance, the purpose of the event was to engage sub-national governments on the process of applying for credit ratings with a view to access domestic and international capital markets.

Key presentations were also made by the World Bank, the Debt Management Office, the Securities and Exchange Commission, Transparency International, the African Development Bank, the Commonwealth, UN Habitat, the Governor of Rivers State, the Ratings Advisor for Lagos State and Nigeria's Special Projects Minister.
