

The First **UK Albania** Investment Forum

One Whitehall Place, London, 7 May 2008

On 7th May, 2008 over 180 delegates attended the First UK Albania Investment Forum at One Whitehall Place in central London. The Albanian Government, represented by its Minister of Economy and Energy, further key ministers, central bank governor, investment agency and several major businesses came to the UK for the purpose of engaging with the investment community from the UK.

A number of specific investment projects and opportunities were discussed in detail with key note presentations also made by British parliamentarians and the business community.

A very successful forum was followed by an evening Gala Reception at the House of Commons, and a subsequent private dinner for key participants of the forum
